**Sponsored by: Senator Hagerty**

**Co-Sponsored by: Senator Ciocco, Senator Fitzsimmons, Senator Lucardi,  
Senator Schlee**

***Whereas,***

Murphy's Grill is an on campus dining option for Catholic University students, staff, and the general public that is located in the Pryzbyla Center.

***Whereas,***

Murphy's Grill was marketed to the campus community as a gathering place for students at Catholic University.

***Whereas,***

Students are able to use Block Meal Exchange and Dining Dollars, part of the University Meal Plan, in Murphy's Grill to purchase items on a limited Meal Exchange menu.

***Whereas,***

Murphy's Grill and Catholic University Office of Dining Services limits the use of University Meal plans for dine in eating to after 1 PM Monday-Friday and does not allow the use of University Meal Plans for dine in eating on Saturday.

***Whereas,***

The inability to use University Meal Plans during peak meal times prevents many students on campus from enjoying Murphy's Grill.

***Whereas,***

Not giving students the ability to enjoy the space as a student body gathering location during all opening hours contradicts the original marketing strategy of Murphy's Grill.

***Be it enacted that,***

The Student Government Association Senate, acting in its official capacity as the representative of the undergraduate student body of The Catholic University of America, hereby request that Murphy's Grill and the Office of Dining Services launch a pilot program lasting two (2) weeks in length during which Murphy's Grill accepts Block Meal Exchange or Dining Dollars as payment for items found on the Murphy's Grill Meal Exchange Menu for both dine in and carry out dining at all times that Murphy's Grill is open
