

**Resolution 006**  
**A Resolution to Increase Food Services on Campus for Spring 2021**  
**Sponsored by: Senator Besendorfer**  
**Co-Sponsored by: Senator Schlee, Senator Holcomb, Senator Brown, Senator Decker**

***Whereas,***

Currently, students who live on campus and have purchased a dining plan can either eat at the Pryz Food Court or Murphy's Grill for meals.

***Whereas,***

The Eatery, the all you can eat style dining service on campus, has not been serving food to students for the duration of the Fall 2020 semester. Instead, students are given three meal "swipes" a day to be used at the Pryz Food Court or Murphy's Grill.

***Whereas,***

There are limited choices for food within the Pryz Food Court and few healthy food options for students.

***Whereas,***

There are many precautions that have been successfully implemented by the Pryz Food Court and Murphy's Grill in order to safely provide students with food during the coronavirus pandemic.

***Whereas,***

The Spring 2021 University plan brings more students to campus. Therefore, more students will purchase meal plans which will create longer lines during peak meal times and over crowdedness within the Pryz Food Court.

***Whereas,***

The health of students is the highest priority to the University and this includes having various food options and promoting healthier lifestyles.

***Be it enacted that,***

The Student Government Association Senate, acting in its official capacity as the representative of the undergraduate student body of The Catholic University of America, hereby requests that Dining Services, while continuing to take the necessary precautions, plans to have The Eatery open for food service during the Spring 2021 semester in order to prevent long lines and to provide more healthy food options.
