

Resolution 008
A Resolution to Purchase A Canva Pro Subscription for University Clubs and Organizations

Sponsored by: Senator Brown

Co-Sponsored by: Senator Besendorfer, Senator Buckley, Senator Schlee

Whereas,

Many clubs and organizations are petitioning the Treasury Board for a Canva Pro Subscription to use for the development and advertisement needs of the club or organization.

Whereas,

Granting a subscription for each club and organization separately would cost the Treasury Board \$13 a month per student organization.

Whereas,

This is an unnecessary cost for the Treasury Board.

Whereas,

It is more cost efficient to purchase one Canva Pro subscription shared amongst every Student Organization on campus.

Be it enacted that,

The Student Government Association Senate, acting in its official capacity as the representative of the undergraduate student body of The Catholic University of America, hereby requests that The Catholic University of America's Office of Campus Activities purchase a subscription to Canva Pro accessible to every student organization who requests access to the account.

Agreed to by a vote of _____ yeas to _____ nays on this date: _____ with _____ abstaining and _____ not present.

President of the Student Government Association
