Whereas,

The McMahon parking lot lacks an adequate crosswalk.

The McMahon parking lot lacks, in general, needed traffic control for both pedestrians and drivers, i.e. stop signs and crosswalks.

Whereas,

Walking through the McMahon parking lot presents a risk of damage to parked vehicles by pedestrians.

Whereas,

The McMahon parking lot's organization is a safety hazard for both pedestrians and drivers.

Be it enacted that,

The Student Government Association Senate, acting in its official capacity as the representative of the undergraduate student body of The Catholic University of America, hereby requests that the University demarcate a crosswalk from the ramp that extends from the Pryzbyla Center to the entrance of Campus Ministry in Caldwell Hall.
