

**Bill 11-005**  
**A Bill to Enact Freedom of Deliberation in SGA Senate Meetings**  
**Sponsored by: Senator Hermes**  
**Co-Sponsored by: Senator Vanraes, Senator Colquitt**

***Whereas,***

The Senate relies on candid, respectful, and honest deliberation in order to govern effectively on behalf of the undergraduate student body.

***Whereas,***

Official minutes serve as the permanent and authoritative account of the actions, motions, and remarks made in Senate proceedings, and thus continue to provide clear and attributable documentation of what was said and done during meetings.

***Whereas,***

The Catholic University of America's Recording Policy states that "Recording ... organizational meetings at Catholic University with any recording device (including but not limited to a cellular telephone, PDA, digital recording device, digital camera, etc.) is prohibited unless all parties to the conversation or meeting give their consent in advance."<sup>1</sup>

***Whereas,***

Senators, guests, and members of the audience may occasionally hesitate to speak frankly on sensitive topics for fear of having their statements repeatedly misquoted and taken out of context.

***Whereas,***

Significant research on deliberative democracy – from the National Institutes of Health, The American Academy of Arts and Sciences, and Oxford University – have indicated that when participants feel secure to engage openly, consider opposing viewpoints, and revise their positions without fear of reprisal or misrepresentation, the quality of decision-making improves.<sup>2</sup>

***Whereas,***

The SGA Constitution ensures transparency through public meetings, recorded votes, and published minutes.

***Whereas,***

The Senate, as a deliberative body, possesses the authority to set reasonable rules of procedure and conditions of attendance for those present at its meetings.

***Be it enacted that,***

The Student Government Association, acting in its official capacity as the representative of the undergraduate student body of The Catholic University of America, hereby establishes the following provisions governing all meetings of the SGA Senate:
