**A Resolution to Update the On-Campus Holocaust Memorial**  
**Sponsored by: Senator Samuels**  
**Co-Sponsored by: Senator Curioso, Senator Kruger, Senator McCarthy,**  
**Senator Suarez**

***Whereas,***

Our university strives for inclusion, as shown by the creation of the Sr. Thea Bowman committee in 2020.

***Whereas,***

The Shoah<sup>1</sup> was evidence of the world's severe antisemitism.

***Whereas,***

The Catholic University of America has a Holocaust Memorial on campus by The Office of Campus Ministry, in the location denoted by a red star in exhibit 1.

***Whereas,***

The plaque on our university's Holocaust Memorial contains a quote from Pope St. John Paul II that iterates "We wish to remember and to ensure that never again will evil prevail."

***Whereas,***

Remembering the Shoah in a concrete form, such as with a memorial, is a way to show that our university believes that we should remember the Shoah and that we truly believe in the idea of "never again."

***Whereas,***

Our university's Holocaust Memorial, as it stands, is out of the way and most students do not even know that it exists.

***Be it enacted that,***

The Student Government Association Senate, acting in its official capacity as the representative of the undergraduate student body of The Catholic University of America, hereby requests that

1. The University update the on-campus Holocaust memorial by either
  - a. Moving the memorial to a more prominent location on campus or
  - b. Adding some type of garden surrounding the memorial in its current location

---

<sup>1</sup> "Shoah" is the Hebrew word for the Holocaust.
